Return Trips

Passengers will be allocated a coloured wrist band when they are picked up, this will assist them in getting to the correct bus for the return journey.

Return trips are on a first come first served basis. Each bus will make two return trips and will endeavour to get everyone home as quickly as possible and will depart as soon as they are full. Passengers who do not get on the first return trip will need to wait until the bus returns for the second return trip.

Extra Buses

Depending on sales, we are able to add more trips using a third vehicle if required.
